

**POSTAL AND PACKAGE SERVICES**

**POSTAL SERVICES**

The provision of postal services is the responsibility of the Spanish postal service (Correos) and owners are fortunate to have a local post office situated in Las Sabinas.

The opening hours are:-

**Monday to Friday : 08.30 to 14.30 hours**  
**Saturday : 09.30 to 13.00 hours**

Receipt of mail can be a problem in Spain as there is no direct delivery service, however owners can either :-

- Rent a post office box for approximately € 58.00 per annum and mail can accumulate there until their next visit. There are several hundred boxes available at the moment (June 2012). Having a spare key cut is advised. It should be noted that mail addressed directly to an owner's house/community without a post box number will **only be kept for 15 days**, before being returned to the sender.
- Owners can circumvent this restriction by asking their management company (if they have one) or some other person to check twice a month if any mail has arrived. Utility bills are grouped by company and stored alphabetically by name so are easy to retrieve.

**COURIER PACKAGE AND PARCEL COLLECTION SERVICE (Courtesy of Mar Menor Management)**

Mar Menor Management offers a collection service for couriered packages and parcels which are not accepted at the Correos Post office. There is a small handling charge of 2 Euros for packages up to one Kilo of weight, small increments for anything over and above that weight. Owners will be notified that their package has arrived. There will be a small penalty for anything not collected within a week of notification of the delivery. A percentage of this income will be donated to charity.

To use this service, owners should ask their couriers to label the package with the owner's name and property and address it:-

**C/O Mar Menor Management Office,  
La Plaza , La Manga Club,  
30389 Los Belones,  
Cartagena,
